The Shortened High School Program consists of English, Literature, Government, Economics and Human Anatomy. The total cost for the program is \$1,225.00. I understand there will be no further fees once the full amount of \$1,225.00 is paid. This covers the cost of the curriculum, the teacher's work in grading the assignments, the teacher's help if needed, and the diploma and official fees. I understand I can complete the work in just a few weeks or I can take up to twelve months if I desire. I understand I cannot go past the twelve month deadline on this program. I will send in my work through UPS or FedEx or with some sort of tracking system through the post office. It is my responsibility to make sure the work gets to the school. I understand if I am on a payment plan, I will be dropped if I do not keep my payments made on time.
